INTERVIEW SUMMARY

Applicant thanks Examiner Daniel Vetter for the telephone interview conducted on February 23, 2010. Applicant was represented by Mr. Denis Maloney, the undersigned, and Mr. Indranil Sarkar (Reg. No. L0608).

The substance of the interview included a discussion of the rejection of claims 57-62 and 68-76 under 35 U.S.C. §101. The examiner agreed that amendments proposed by Applicant's representatives would overcome the rejection under 35 U.S.C. §101.

The substance of the interview also included a discussion of the rejection under 35 U.S.C. §112 second paragraph. Applicant proposed claim amendments and the examiner agreed that such amendments would overcome the rejection under 35 U.S.C. §112 second paragraph.

The substance of the interview further included a discussion of the rejection under 35 U.S.C. §102(b) over the DeMarcken reference. Applicant explained to the examiner how the currently pending claims distinguish over the DeMarcken reference. The examiner however continued to maintain his position with respect to this rejection. No agreement was reached in this regard.
